ABOUT ME

Computer Science graduate with hands-on MERN Stack internship experience, skilled in building web applications using React.js, Node.js, Express.js, and Firebase. Passionate about developing clean, user-focused solutions and eager to contribute while continuously learning modern web technologies.

TECHNICAL SKILLS

Frontend: React.js, JavaScript (ES6+), HTML5, CSS3

Backend: Node.js, Express.js

Database: Firebase Firestore

Tools: Git, GitHub, Postman, VS Code

EXPERIENCE

MERN Stack Developer Intern , Tecnosphere Software House

Sep 2025 - May 2026

Assisted in developing full-stack web applications using React.js, Node.js, Express.js, and Firebase Firestore. Built UI components, integrated RESTful APIs, and completed assigned development tasks.

Teacher , The Pakistan English High School

Sep 2024 - Jun 2025

Taught English, Computer Science, and Physics while strengthening communication, mentoring, and problem-solving skills.

PROJECTS

SpotFinder (Final Year Project)

React.js · Node.js · Express.js · Firebase

Developed a smart parking management system featuring User, Manager, and Admin panels with parking discovery, reservations, authentication, and complaint management.

Health Care Dashboard

React.js

Built a healthcare dashboard with modern UI components and data visualization.
